

EDG 4410 Teaching Strategies and Classroom Management Signature Page

EDG 4410 Student:

Please read over the syllabus and home page of the course wiki at the following URL: <http://edg4410drkarenverklerfall2016.wikispaces.com>. If you have any questions about any of the course expectations, procedures, or assignments, please contact me promptly at ProfessorVerkler@aol.com.

In addition, our class will require regular Internet access. Please let me know below if you do not have easy and regular access to the Internet. If this is the case, we can work together to try to solve this problem.

Please feel free to write any other information below that you would like me to know regarding your ability to meet course expectations.

Please sign and date this page below. **Your signature indicates that you have read and that you understand the course syllabus and wiki home page content.** You are to return this signature page to me by the end of the first week of our class.
